Dear Friends,

Our daily common sense lives have been rattled and shaken over the past several weeks. Our perceptions of what should be “normal” have been challenged. The simplicity of going to a grocery store, getting a haircut, grabbing a quick bite at a restaurant and attending worship services have become difficult, frustrating and simply not allowed.

Current realities of these times are heavily impacting normal operations and practices at Friends Of The Carpenter. Over the past three months, our vulnerable members and volunteers have not been able to come worship or participate in the Day Center, fundraising events have had to be canceled, local businesses that carry FOC products closed their doors, and now the ability to have our largest fundraising event, the Auction, has been canceled.

What shall we do!?

While reading from my daily devotional titled, “My Upmost for His Highest” by Oswald Chambers, I was reminded of the difference between living a life of certainty driven by common sense versus a spiritual life of gracious uncertainty. *“To be certain of God means that we are uncertain in all our ways, not knowing what tomorrow may bring. We are uncertain of the next step, but we are certain of God. As soon as we abandon ourselves to God and do the task He has placed closest to us, He begins to fill our lives with surprises.”*

What surprises has God revealed to each of us during these times?

At Friends of the Carpenter while facing the impacts of COVID-19 on the ministry and services for our vulnerable members, we remain faithful and are certain of God!

Join us and help support God’s ministry at Friends Of The Carpenter through your prayers and generosity!

Blessings to all,

Art Edgerly, Executive Director

Pastor Bill Van Herk, Operations Manager

Executive Director, Art Edgerly and Board Officers have reduced proposed expenditures, eliminated a half-time employee position, and instituted processes for raising financial and volunteer support. Your generosity is appreciated and needed.

Campaign Drive and/or Virtual Fundraiser to Replace Auction Dinner 2020

Canceling and changing events during these times are no longer a surprise in organizations or communities. We are in need to cancel our annual dinner auction that was scheduled for October 9, 2020 at Warehouse 23 and plan for a much needed alternative fundraising event in the months ahead. The Board of Directors and FOC Staff are exploring fundraising options.
